Parents evening are approaching next week, on Tuesday and Thursday afternoons, please make your appointment online if you haven't done so yet, there are some spaces left. On these evenings we will be asking you to complete a Parent's Survey for the school and there will be some computers available for you to complete the OFSTED online survey, which takes about 5 minutes. It would be great to have your feedback. Mrs Wrigley, Business Manager, will be around on these evenings too to give out free electricity energy monitors for you to use at home. Our teaching staff have already been given them and say its quite amazing to see how much energy different appliances use!

Yesterday Year 6 children enjoyed an afternoon session with the students from Bexhill Academy as part of their "Be the Change" programme. They had the chance to talk about self esteem and how to deal with negative feelings. Mr Willer said it was a really useful session for our children.

Thank you to all the children who had a school dinner on our Census day, last Thursday. It will really make a difference to the funding we receive from the Government.

I hope we don't get any snowy weather, but if we do we will text you as early in the morning as possible regarding the school opening. Please make sure we have your up to date mobile phone details.

Valentines Raffle

Lots of fab prizes

**£1 strip of 5 tickets
from school office!**

A thank you from St Michael's Hospice

I just wanted to say thank you to Glenleigh Park Primary Academy for supporting our 2016 Christmas Badges Appeal and to let you know that you raised a fantastic £56.80 for St Michael's Hospice. In total, over £1,500 has been raised with a few more donations still to come in, so we are delighted and very grateful to you for helping to make the appeal such a success. Please pass on our thanks to your colleagues and pupils for their generous support.

The cost of running the Hospice and providing the full range of services to our patients is over £5million a year. With around one third of this being provided by the NHS we need to raise the balance, circa £3.7million, which equates to over £10,000 per day, from voluntary sources. Therefore, your continuing support to the amount we raise in the community is greatly appreciated.

Dates for your diaries

Tuesday 31st January—parents evening

Thursday 2nd February—parents evening

Thursday 9th February—Last day of Term 3

Friday 10th February—Inset day, school closed

Monday 20th February—first day of Term 4

Friday 24th March—Inset day, school closed
