

# Welcome back!

**Dear Parents and Carers,**

Welcome back to Term three, we hope you had a wonderful Christmas and a happy new year.

Our next unit of work will be on Europe, the Renaissance.

Our key question will be:

**What do clothes teach us about people?**

We will be looking clothes from around the world and comparing them.

This term we will be learning a Renaissance style dance to perform to you at the end of the term.

**Please could girls bring in a princess dress and boys bring in capes for the last week of term to perform in.**

**School uniform**

It's that time of year when written labels are starting to wash out of school uniform. Please can you check that your child's name is still clearly written in their clothing. Adding the class name will also help lost property to find its way back to class.

**Carol Concert**

We are so, so proud of the children in KS1 for their amazing performance in the carol concert. They worked so very hard! It was lovely to see so much support from you all, I know the children appreciated it.

## Home learning

We would like to say a huge thank you for the effort and amount of homework the children have brought in last term. Please find attached the new homework tasks for Term three. We look forward to seeing your creations.

Please continue to read with your child at home, the children are making good progress with their reading which is amazing to see.

## Spelling tests

We have been seeing good progress with the spellings each week. The words we are sending home are all sounds the children need to know or tricky words.

Please continue to **practise and learn** at home each week as we will be continuing with the tests on a **Friday**.

## Phonics screening test.

In term six the children will be completing the phonics screening test. We will be doing lots of preparation in class and will start sending some phonics activities home for you to practice with your child.

Thank you again for all of your support.
