YEAR 6 TERM 1

Welcome back!!

Dear Parents and Carers,

Welcome back to Term 1. We hope you all had a good and relaxing summer holiday.

Our first unit of work is based on the Ancient Egyptians; their civilisations and beliefs. We will be learning what life was like during

How do we unlock the mysteries of a civilisation?

that period of time.

Across the term there will be a range of activities in which year 6 will engage with the unit in a practical way.

Wow Day

Our 'WOW' day that we will be having in week 2 will involve children having the opportunity to learn how to write and learn maths as the Egyptians did.

There will be some Art and DT activities in the afternoon also. We would be grateful if you can support us in this by sending in any old Pringle pots that you may have..

PE

Buzzards and Kestrels lessons will take place on Thursdays with Mr Lancaster from Premier Sports.

Music

Year 6 are lucky enough to continue their music development with Miss Dalton who has planned for them to engage in musical composition this year.

Homework

Please find the new homework tasks for Term 1 inside the homework books. We look forward to seeing their creations.

Year 6- Final Year

This is an incredibly important year for our year 6's in terms of their academic progress and social development as they begin their journey to secondary school.

There are many important milestones which we will pass through across the year. We will keep you as well informed as we can so you have plenty of notice.

The positions of prefects will also be a fantastic opportunity for some or hopefully all of our year 6's to strive for; to gain responsibility and stature within the school. Further details will be given to the children in September.
