

Reception Newsletter

Term 2

Our topic for this term is CELEBRATIONS!

During the term the children will be thinking about the things they celebrate in their own families, as well as some of the celebrations others enjoy. We will talk about Halloween, Bonfire Night, Diwali and finish with Christmas!

The key texts that we will use this term in our learning are-

- ◆ Room on the Broom by Julia Donaldson
- ◆ The Three Little Pigs
- ◆ Hovis the Hedghog
- ◆ Lighting the Lamp
- ◆ The Christmas Story

How can you help your child at home?

- Reading together at least 4 times a week
- Looking at the weekly 'Ask me about...' letter and having a go at the activities suggested
- Encouraging them to be independent with dressing, eating, tidying up etc
- Saying your goodbyes at the door
- Making sure your child doesn't bring any toys into school

Thank you for your support!

Reading Workshop

There will be a workshop for Parents about Reading with your child at home on Friday 23rd November at 2.15pm.

Please watch out for a letter coming home very soon with more details.

We do hope that you will be able to join us to find out a bit more about how you can support your child with this vital skill at home- and enjoy some refreshments too!!

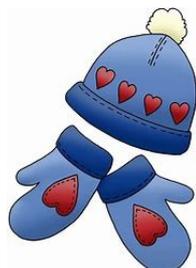

Thank you for your support!

PE KIT

In Squirrels and Hedgehogs classes we have PE on a Tuesday morning and a Friday afternoon. Please make sure your child has their PE kit in school with them on these days so they are able to fully take part.

We are always grateful for any donations of junk modelling materials, newspapers, old pots/ saucepans/ utensils etc, old uniform, scraps/offcuts of material...all of which we can use to support and enhance our learning across the curriculum!

Thank you ☺

Please don't forget to NAME EVERYTHING clearly!! Jumpers, Shoes, Hats, Coats, Scarves...everything!
Now the weather is colder, we will still be outside all the time, so please send your child with the appropriate clothing for the weather!!
