

Robins and Wrens

NEWSLETTER

Dear Parents and Carers,

Welcome to Term 3!

We hope that you had an enjoyable and healthy Christmas break.

PE

Our PE sessions are on Mondays and Tuesday for Robins and Wrens. Please make sure that your child has a correct PE kit in school on these days.

Topic

Desert communities of Northern America.

Home learning

The new home learning projects will go out this Friday (6th January). Please feel free to ask your child's class teacher if you have any questions about it.

We will continue to send out weekly spellings which your child will be tested on and there will be activities available on Mymaths. We know that some of you have difficulty accessing Mymaths at home. We are planning to provide an opportunity for the relevant children to access Mymaths within school time.

Reading

Please listen to your child read every day and encourage them to read independently as much as possible.

This will help your child immensely both in their reading and also in their writing. Please write in your child's yellow reading record - this contributes to your child's progress towards obtaining a reading badge. Remember - a new badge will be handed out each term to children who have read three times a week for six weeks.

The children are continuing with their enthusiasm for reading and completing a quiz to earn points towards their personal targets.

Please remember school library books must be returned, so that other children may enjoy the books as well.

Trips

In term 6 we shall be going to 'The South Of England Show' just to inform you that unfortunately the price of this trip has risen to approximately £10.

Contact

Should you wish to speak with us, we will still be available every day after school. However, if there is something urgent you need to let us know, please write a quick note and ask your child to give it to us in class.

Thank you for taking the time to read this letter. We really do appreciate all the support that you give your children.

Mr. Bennett and Miss Beeney
