

YEAR 2 TERM 5 Newsletter

Victorians

Can you match these
Victorian items to
those used today?

How do
dreamers shape
communities?

Welcome back!!

Dear Parents and Carers,

Welcome back to Term 5,

We hope you all had a nice Easter break.

In term 5, year 2 will be travelling back in time to the **Victorian era** to find out who the Victorians were.

Our key question will be:

How do dreamers shape communities?

The children will have the opportunity to make their very own beach hut.

Please can you bring in a small box and any lolly pop sticks you have to decorate them.

Why not collect some small shells from the beach to also add to them!

During this wonderful Victorian topic the children will learn about what life was like for a Victorian child and compare how life is different today. They will also find out about some inspirational people from the Victorian period and their inventions.

Trip– the children will be visiting Michelham Priory where they will discover interesting facts about Victorians and how they used to live.

Uniform

There has been a fantastic improvement in the children's uniform and with the amount of children bringing in the correct PE kit.

Thank you this really does make a difference.

PE

As we approach the summer term we will hopefully see some nicer weather. You may need to send your child in with some sun cream that they need to apply themselves. Or better still apply the 8 hour one before they arrive at school and also send them in with a named sun hat to keep in their tray for when they may need it.

SATs

During the first week of May the children will undertake their SAT's tests. The children have already had a practise during term 4 and so know what to expect.

They have worked so hard all year but need to keep up their learning over the Easter holidays especially by ensuring they **keep reading regularly and practise their spellings**.

Please support your child in completing the **Easter Maths activities** too in order to practise their reasoning and mental maths skills.

Thank you for your continued support,

Mrs Blake and Miss Grimshaw
